Dear Sir:

In a recent transmittal from the U.S. Patent Office having mailing date of May 29, 2002, a Request for Continued Examination ("RCE") filed in the present application was not entered. With this "RCE," an additional Information Disclosure Statement ("IDS") was filed on May 8, 2002 to be entered, and a subsequent duplicate version was filed in that some of the references that should have been filed in the May 8th "IDS" were inadvertently omitted. Since the "IDS" (and its duplicate) was filed after the first action on the merits of the application, it is believed that the enclosed "IDS" transmittal clarifies the status of this "IDS" in relation to 37 C.F.R. §1.97.

Respectfully submitted,

SHERIDAN ROSS P.C.
